Dear Parents,

Every year the Preschool offers a Speech & Language Screening provided by Karin Ernst, a bilingual (German/English) speech language pathologist.

Each child will be individually screened for sound production, voice quality, and language expression in order to identify potential obstacles that might interfere with the child's social and academic success.

This year Frau Ernst will visit the Preschool the week of September 12th.

A short note will be sent home shortly after the screening and you'll have the opportunity to discuss it with Frau Ernst directly.

The cost for this screening will be covered by the Preschool and it is not mandatory to participate.

If you are interested, please fill out the form below and return to your child's teacher by September 6, 2016.

If you have any questions, please contact me at m.khojasteh@dswash.org or Karin Ernst at

karin@speechllc.com

Sincerely,

Mojdeh Khojasteh
Preschool Principal
