What better way is there to celebrate the launch of „Wunderbar together – Germany and the U.S.“ than to witness the melding of Johann Sebastian Bach’s classical music with the homegrown art of breakdance? Join us for a one-of-a-kind performance at the heart of America’s national capital with a stunning view of the Lincoln Memorial and the Reflecting Pool.

We invite you to experience **“FLYING BACH”**, a wedding of Bach’s classical music with the breathtaking moves of Berlin’s award-winning breakdance crew, **THE FLYING STEPS.**
