

**COVID-19 Health Pledge (GISW Preschool):**

The German International School believes it is every community member's responsibility to help us keep our campus healthy and safe. In that spirit, we are asking all pre-school families to check each item on this list and sign the document. We understand that our pre-school students are at varying levels of developmental readiness, and we will work appropriately with each child to learn about wearing masks, washing hands, and keeping distance.

**We accept and support the following agreements (please check each and sign form):**

- I authorize the GISW staff to conduct temperature screenings on my child.
- I discussed with my child COVID school safety measures (masks, social distancing, handwashing) and we agree to abide by them to the best of our ability, taking into account my child's young age.
- I explained to my child that they will generally be expected to wear a mask. We will practice mask-wearing at home. (Occasional mask-breaks will be scheduled during the school day, e.g. when eating/drinking etc. and in case of certain medical issues).
- I have explained to my child that they will generally be expected to keep a distance of 6ft from others, if possible. We will practice this at home.
- I agree to inform GISW about travel plans to COVID-19 "hot spots" or international travel.
- I agree to inform GISW about any positive COVID test results for my family.
- I agree to inform GISW if any of my family has been in contact with someone who has tested positive for COVID-19.
- I agree that GISW may request that my child undergo COVID-19 testing and I agree to share the results with the school nurse and/or the Head of School.
