October 23, 2021

Dear Friends:

I am pleased to offer my warmest greetings to The German International School, Washington, DC community as it celebrates GISW's 60<sup>th</sup> anniversary.

Since 1961, GISW has offered its students a challenging, German curriculum taught in a warm, multicultural atmosphere. GISW has a well-earned reputation for having a strong community, innovative curriculum, and ability to challenge each student to achieve their maximum potential.

The success of GISW's outstanding students is supported by the school's distinguished faculty, administrators, and staff who have worked so hard to make GISW a strong and vital presence in our region. I congratulate you and wish you well as you continue to enrich the lives of children and families throughout our community for the next sixty years and beyond.

You have my warmest wishes and congratulations on this wonderful occasion.

Sincerely,

Chris Van Hollen  
United States Senator
