**IVYWISE LIVE**  
**THE U.S. COLLEGE ADMISSIONS RUBRIC:**  
*How Selective Schools Make Decisions*

What does it take to get into top U.S. universities and how can you maximize your chances of admission? In this webinar, IvyWise College Admissions Counselor Katie will demystify how college admissions committees evaluate applicants by explaining the reading rubric, bringing full transparency to how admissions decisions are made. Attendees will learn about the rubric’s hard and soft factors and how to strengthen each aspect of their application to best succeed during the application process. Katie will share tips for students in each grade of high school so they can make the most of their four years and stay informed about the college admissions process.
