

## Deutsche Sprachschule Washington D.C. – German Language Courses at the GISW

September 7, 2020

Wir begrüßen Sie herzlich zum Schuljahr 2020-21!  
Welcome to the Fall Semester 2020-2021!

Saturday classes begin **September 12, 2020** and weekday classes after September 16, 2020. Below you'll find the schedule for all classes and the contact information of your teacher. We are still expecting some families to finalize their registration process and therefore some classes might be split in two groups. Hopefully we will also receive a few more registrations for the adult courses in order to offer the entire program to all of you! Some of you already received an email from your teacher and some other should receive their information within the next day or two. This year, the textbooks can be ordered online and will be mailed directly to your house. Ms. Ozpaker will email the detailed information again tomorrow. We are looking forward to seeing many of you this Wednesday at our 'back-to-school night' at 7:30 pm (19.30 Uhr) via Zoom. The invitation link will be emailed again tomorrow night. Thank you for being part of this wonderful community and enjoy your German Language Learning Experience at the GLC.
